Curriculum Vitae - Alex Beispiel

Email: alex.beispiel@example.org | Magdeburg, Germany | github.com/alexbeispiel

Education

M.Sc. Data & Knowledge Engineering, Otto-von-Guericke University Magdeburg - since October 2025 (currently 2nd semester).

B.Sc. Computer Science, Hochschule Beispielstadt - 2021 to 2024. Final grade 2.1. Thesis: 'A REST API for sensor data collection' (grade 1.7).

Work Experience

Working Student, Backend Development - DataWerk GmbH, 2023 to 2025. Built and maintained Python services (FastAPI) backed by PostgreSQL; wrote SQL reports; containerized two services with Docker; basic Git/GitLab CI usage.

Projects

Weather Data Pipeline (personal): hourly ingestion of public weather API data into PostgreSQL with a small Python ETL script and a Grafana dashboard.

University team project: campus room-booking web app (Flask + SQLite).

Technical Skills

Python (good), SQL/PostgreSQL (good), Git (good), Docker (basics), FastAPI/Flask (basics), Linux shell (basics). No production experience with Spark, Kafka, cloud platforms, or ML deployment yet.

Languages

German (native), English (C1).
